**SECOND SUNDAY of EASTER** (or of *Divine Mercy*)

**8th April 2018**

**FAITH IN FOCUS: Doubt and Disbelief** The story of 'Doubting Thomas' is aimed at all those generations of people who will not see the risen Lord, yet are asked to believe. So are we really being asked to believe in what we cannot see or hear or touch, when even those closest to Jesus had problems in accepting what was happening?

In today's gospel we see Thomas struggling with a problem that many of us still struggle with today. Thomas desperately wanted to believe in the risen Jesus, but he wasn't the sort of person to pretend he understood something when he didn't. He wasn't the sort of person that could pretend that he didn't have doubts when he did. There are many of us today who desperately want deeper meaning in our lives. There are those amongst us who have become disillusioned with the Church and wish they could embrace what it once meant. There are many of us who would like to find a deeper faith but have found only stumbling blocks. Like Thomas, we find that the gap between faith and doubt too big a leap. For those who find belief elusive, there is an uncomfortable beatitude in today's gospel. "Blessed are those who have not seen and have believed." This can feel like a reproach to those of us who harbour doubts, but the important thing to remember is that doubt isn't the same thing as disbelief. Doubt can be a good thing even. Doubt means that we are still questioning something that we care about. Doubt means that we are still looking for answers ..... that we are still learning and growing. Doubt is a tool that we can use to carve a mature faith. Belief isn't something we either have or haven't got ... belief is a process, and the end product of that process, is one's own spiritual self.

**THE ANNUNCIATION** *Saying Yes to Jesus: 9th April* (transferred from 25th March). At the Annunciation, Mary's consent was one of the most important moments in the history of salvation and in the unfolding of the Eucharistic mystery. We call that moment her 'fiat', the first word in a Latin phrase that means "Be it done unto me according to your word." When we say yes to God, we allow his grace to be fruitful. When we say *no*, we are missing big opportunities to be part of God's picture.
